

Saving Parent Portal to Your Phone android

Follow the steps below to save the SMART tag Parent Portal to the Homescreen of your **Android Phone**.

- 1 In the chrome web browser , go to the Parent Portal Login Screen at parent.smart-tag.net.
- 2 Click the  icon on the top right of your screen to open the options menu.

- 3 In the options menu, click 'Add to Home Screen'.

- 4 The 'Parent App' should now be included as a clickable icon on your Android Phone's Home Screen.
