

Greetings and Welcome Back!

Welcome to the 2026–2027 school year! We are excited to begin another wonderful year of learning, growth, and new experiences with our students and families.

At Antelope Valley Schools Transportation Agency, we are proud to be part of your student's educational journey. Every day, our drivers, aides, and transportation staff work hard to ensure students travel safely and comfortably to and from school. Beyond daily routes, we also enjoy supporting students by providing transportation to field trips, athletic events, and extracurricular activities that help make school memories last a lifetime.

We understand that when your child steps onto one of our buses, you are trusting us with what matters most. That responsibility is something we take very seriously. Our commitment is to provide safe, reliable transportation while helping create a positive start and end to each school day.

As the new school year begins, we ask our community to join us in keeping students safe. Please stay alert while driving, especially in school zones and neighborhoods where children may be walking, biking, or crossing streets. Take a moment to slow down, watch for students, and come to a complete stop at stop signs, and crosswalks.

Most importantly, please remember to stop whenever a school bus has its flashing red lights activated and stop arm extended. Those few moments of patience can make all the difference in protecting our students.

Together, we can help ensure every child arrives at school ready to learn and returns home safely each day. Thank you for your partnership, support, and commitment to student safety.

We wish you and your family a safe, successful, and exciting 2026–2027 school year!

Sincerely,

AVSTA
