

# AVSTA Transition to Wayfinder

## New Student-Tracking System Coming Soon!

AVSTA is excited to introduce **Wayfinder**, our new student-tracking software that will replace Smart-Tag. This updated system includes:

- **Built-in navigation** using scheduled bus routes
  - **Accurate stop-by-stop directions** for drivers
  - **Enhanced reporting and analytics** for school districts
- 

## Implementation Timeline

Wayfinder will be rolled out in **four phases**, with full implementation expected by the **end of the 2025–2026 school year**.

Students will receive a **new Wayfinder Bus Pass** from their bus driver at the beginning of their assigned phase.

## Important Information for Families

- Once a student transitions to Wayfinder, their information will **no longer appear in the Smart-Tag parent portal**.
- Wayfinder includes a new parent app called **Stopfinder**.
- The Stopfinder app will be available to parents and guardians for the **2026–2027 school year**.

More information about Stopfinder will be shared as we approach the next school year.
